

## Each New Year Is A New Opportunity To Serve God

By Rev. Frank Wyche, Pastor

On the Christian Calendar, the first or second Sunday in January (usually the second) is always "Baptism of the Lord" Sunday.

The prophecies and expectation of a coming Messiah are the theme of Advent, and all the stories about the birth of Jesus are the theme of Christmas. With the Baptism of Jesus, the Church Calendar begins to look at the earthly ministry of Jesus, because the first thing Jesus did when he began his earthly ministry was to be baptized by John the Baptist.

The Baptism of the Lord marked a new beginning in the life of Jesus. He was no longer an anonymous carpenter, the son of Mary and Joseph; he was now the Messiah, the Christ, actively preaching, teaching, healing, and fully revealing God and God's love for all people. He began to engage actively in his appointed ministry as the perfect servant of God.

Because the Baptism of the Lord is always in early January, that means that every January we have the opportunity to re-commit ourselves to Christian service, doing those things that God calls us to do.

On our normal, earthly calendar, New Year's is a time when many of us make resolutions, resolving to

### If Church Needs To Be Canceled...

If winter weather is ever severe enough to make us need to cancel church, we will notify television station WHSV-TV3 in Harrisonburg to announce the cancellation.

Also, in the event that church is canceled because of severe winter weather, we will put a message on the church answering machine, so you can call the church office at 885-1648. Ordinarily, we would make a decision to cancel church by 9:00 a.m.

In any case, please use common sense when we have severe winter weather, even if you don't see an announcement! Above all, be safe. If your own driveway or street or road is hazardous, please do not take any foolish or unnecessary risks.

do the good we have failed to do, and to stop the bad things we have been doing. We try to be better people.

On the Church Calendar, the Baptism of Jesus is similar. It is a time for each one of us, too, to set out on our own ministry of service and obedience to God.

Of course, Jesus knew what his mission was. As the Son of God, he was "Immanuel," or "God with us." Because he was fully human as well as fully God, he was God experiencing all the ups and downs, joys and sorrows, and achievements and disappointments of the human condition – yet without sinning. Through his perfect life, he showed complete obedience to God, and he became the perfect sacrifice when God's life was given on the cross as the payment for our sins.

None of us is called to die for humanity's sins, but we *are* called to die to self, and to die to sinning. As Christians, we die to self by living first and foremost for God; and we die to sin by turning away from sin, and turning to a life of obedience to God through obeying the commandments of our Lord and Savior Jesus.

Paul tells us in 1 Corinthians 12:7 that each of us has been given a spiritual gift for the common good. It is our ministry to find that special gift, and to put it use to the service and glorification of God.

## Hebron's Scouts Are Active, But Could Use Your Help

### By Mike Fallin, Boy Scout Charter Representative

The Summer and Fall of 2010 were busy times for the Boy Scout Troop 122 and Cub Scout Pack 122, both sponsored by Hebron Presbyterian Church. We have 8 boys in the Troop who were not active on Jan. 1, 2010, and we have 35 boys in the Pack.

The Pack has had activities every month from June through August. September was Popcorn Kickoff, Recruiting Night at Beverly Manor Elementary, and a Pack Campout.

The Troop went to Camp Shenandoah in July, and a Campout near Augusta Springs on some private property in September. The boys have organized into the Bison Patrol and are working on their Tenderfoot Rank since most of them have completed the Boy Scout Rank. They participated in a Flag Retirement Ceremony on Nov. 11 at the Scout Hut and planned a covered dish dinner on Nov. 23 in the Fellowship Hall.

I continue to go to these events, as well as attending Valley District and Roundtable meetings. However, I find very few other Chartered Organization Representatives at District meetings.

The Troop and Pack committees are beginning to fill out with new parents and me, but I could use church members to fill out key positions: Committee Chair, Treasurer, and Secretary.

The Troop and Pack committees are two very different committees and require our dedication to maintain long-term continuing oversight and participation. By stepping into these positions, you would help lighten the burden on the Den Leaders and the Cub/Scoutmasters. These units are YOUR units because they use

Hebron's facilities, tax exemption, and are chartered to Hebron Presbyterian Church. I mean, how can you own something and not take responsibility for it? If you own a car, wouldn't you make the payments, maintain it, and make sure it's safe? It's the same

thing with these Scouting units. Scouts represent another form of Christian Education in which Hebron participates.

Aren't we trying to teach our children the Bible and Christian ways? The same thing for Scouts, only they use an outdoor approach to help develop character, citizenship, and conservation. I would hope that all of you, as the owners of these units, would want to insure that these messages get taught to ALL youth, not just the Scouts.

Perhaps Christian Education could adopt some of the programs that the Scouts have developed, including "Two-deep leadership" and "Youth Protection guidelines." I encourage anyone to sign up on the internet at [www.myscouting.org](http://www.myscouting.org) and set up an account (without the requisite registration number) and learn more about Youth Protection.

I've learned that giving your time and some of your resources to this organization strengthens you, because you are challenged by the activities and continue the lifelong educational process. No other person has the

## Upcoming Scout Activities

The Scout Units sponsored by Hebron Presbyterian Church are in the process of re-chartering. There will be a *spaghetti dinner* on the 23rd of January (the 30th is the snow date). This fund-raiser (a free will offering will be taken) will be held in Fellowship Hall right after worship. Please come and enjoy!

In February, the Cub Pack will have its *Pinewood Derby* on Saturday, Feb 5, starting at 8:30 a.m. Then they will be joining the congregation on Feb. 6 at 11 a.m. worship to observe *Scout Sunday*.

On Saturday, March 12 at noon, the Cub Pack is planning its *Blue/Gold Banquet & Li'l Fellers Cake Auction*.

Please come to any of these events and meet the parents and leaders, and have fun along with the Scouts.

## Hebron's Scouts Are Active

(Continued From Page 4)

experience and ability that you possess to influence or help boys and parents. Combined with other dedicated adults, you will learn how to be effective and to present your views. Isn't that what growing, learning and living are all about?

The Pack Committee supervises the Pack (boys from grades 1 through 5) and handles the bill-paying, the recruiting and hiring of adult leaders, and the planning of the program. It sets policy for conducting Den and Pack meetings, and for what will be taught at these meetings. Don't worry that you won't know how to fit in. The desire to learn from BSA publications, on-line training through MyScouting.org, and other experienced scouts really makes this easier than when you started your first job just out of college. You listen a lot, but you do a lot toward achieving the purposes of Cub Scouting through KISMIF: Keep It Simple, Make It Fun.

The Troop Committee has other responsibilities in a Scout-led Troop (boys from 10 to 18). It has oversight, but planning is done *along with* the boys. It does more support functions such as forming Courts of Honor, Boards of Review, Fund Raising, and Ceremonies. It is more of an advisory/support function. Here the goal is to encourage the boys toward Eagle Scout Rank. The Valley District provides resources to help you with the Eagle Planning process.

I would welcome your participation in Scouting, with our Troop or Pack or both! There is always something you could do for our units as well as other units, such as being a Merit Badge Counselor on one of the 120 different merit badges, or, in Cub Scouting, belt loops. I want you to work with me in making Scouting inclusive of our Christian Education Program, not a separate program. This is already an "outreach" program

## Welcome Ben Heizer, Our Minister of Music

Hebron has a new Minister of Music effective Jan. 1, 2011 – Ben Heizer of Middlebrook.

A native of Middlebrook, Ben is currently a graduate student at Shenandoah Conservatory in Winchester, where he pursuing the Master of Music degree in Church Music (concentrations in organ and choral conducting). He holds the Bachelor of Arts degree in Church Music from Bridgewater College (double emphasis in organ and voice, and special concentration in music composition).

In addition to serving as the Minister of Music and Organist at Hebron Presbyterian, he is also serving simultaneously as the organist at Bethany Lutheran Church in Waynesboro. Previously, he served from 2007-2010 as the Minister of Music and Organist at Christ Evangelical Lutheran Church in Staunton, and as Interim Organist at Muhlenberg Lutheran Church in Harrisonburg during the summer of 2007. Prior to 2007, he filled the role of a substitute organist/accompanist. While still a student at Riverheads High School, he studied part time for college credits at the University of Virginia in Charlottesville and Mary Baldwin College in Staunton.

He devotedly works to cultivate his skill at composing. His arrangements for solo organ and works for a *cappella* choir have been performed (or are scheduled to be performed in the near future) at churches in Staunton/Augusta County, Annandale, Charlottesville, Harrisonburg, Leesburg, Upperville, Waynesboro, and Winchester, VA.

Ben is a member of several professional organizations, including the American Guild of Organists, the Organ Historical Society, and the Hymn Society of America. In his spare time, he enjoys composing, woodworking, showing American Saddlebred show horses with his family, and regularly works to update the archives of the Organ Historical Society's National Register of Pipe Organs.

He firmly believes that music should be easily accessible to *everyone* and that all music should be "performed" for the Glory of God alone (*Soli Deo Gloria*).

through Commitment/Witness. The Scouts have a "God & Me" series of programs that our elders could be involved as mentors. Please consider us for the upcoming Scouting year, which is Feb. 1, 2011, through Jan. 31, 2012. Let me know as soon as possible so you may be included in the Unit re-chartering effort.

# 6 *Presbyterian Women's News*

The Circles did not meet in December due to the bad weather. On Jan. 11 at 1:30 we will study Lessons 4 and 5 in our Bible study.

The Kitchen Committee will give a report on having the kitchen painted and whether the women will pay the cost. The committee has gotten bids which will be presented at that time. A complete report will be in the February *Hebron Herald*.

For the second year, the Presbyterian women decorated a Christmas tree to be sold at the Festival of the Trees event sponsored by Augusta Health Hospice of the Shenandoah. The event is to raise money for Gifted Care at Shenandoah House.

**PRESBYTERIAN  
WOMEN**

The tree was decorated for a boy. E. Anne Willard used toys contributed by Nancy and Tom Cook, Jean Miller and things she found to look into a boy's world. Decorations included small tools, tractors and cars. E. Anne was assisted by Simon Willard and Dee Clemmer Snow. The tree sold for \$150.

We plan to again decorate a tree next year for this annual event.

## *Evening of Comfort and Joy Report*

Our sincere thanks to all who made the Presbyterian Women's *Evening of Comfort and Joy* Dec. 7 a huge success! It took a lot of folks working together for everything to have turned out so well. Even though it was a bitter cold night, approximately 55 ladies attended, plus assorted young people and men for a total crowd of about 70. We collected a large number of cans of food, with some folks bringing full bags and boxes!

Nancy Cook won Maxine Carpenter's handmade quilt that was raffled off. Because she already had a number of quilts, Nancy donated the quilt back to the women to be auctioned off to the highest bidder. A lively bidding followed between Mike Ruleman, David Obenschain and Keyser Kirtley, with Keyser finally getting the quilt for \$225. Maxine's quilt brought in \$815.00. Donations and contributions for the supper, plus the money raised in the silent auction, amounted to \$1,034.50, for a grand total of \$1,849.50. This amount was distributed as follows: \$462.38 to the Verona Food Pantry, \$462.37 to Joy of Life, \$462.38 to New Directions, and \$462.37 to Rebuilding Together.

Thanks again to all who helped, and all who participated! ~ *The Sisters in Christ Circle*

## History Behind the Radiator: Interesting Discoveries

Hebron's story is found in many interesting and unusual places. Recently, in an effort to improve the heating in Maxine Carpenter's Sunday school class, Emerson Willard worked on the radiator.

He uncovered some items left behind by our young people of the 1960s. First, were some items you might expect – chewing gum wrappers indicated that Juicy Fruit was the preferred choice. Also found were bulletins from 1964, 1965, and 1968. Pencils carried the names of *Staunton Union Stock Yard* and *Augusta Farm Bureau*, and a pen was from *Showalter Music Company*.

Projects left behind included a sun catcher showing the Christian cross as the center of the world. A promotional booklet from Massanetta Springs emphasized year-round programs.

Two student handwritten index cards proclaimed a message worth sharing: *The amazing truth about Jesus is that He is the Son of God. He is the perfect example of truth. He is the one who saves us from our sins and who gives meaning and direction to every area of our lives. Jesus taught many amazing truths about what He*

*had in mind for people to be and do, but all of those teachings would have been just those of another good man if Jesus were not God's Son and our Savior and Lord: "This is my beloved Son, in whom I am well pleased."* ~ Author Unknown

Take a look at the names from the class book.
